### 4. POWER(S)

4.1 This agreement fulfils the requirements of the following:

- Housing Act 1985 & 1988 (schedule 2, grounds 2 & 14);
- Housing Act 1996 (sections 135, 152 & 153);
- The Protection from Harassment Act 1997;
- The Homelessness Act 2002;
- The Civil Evidence Act 1995;
- The Crime and Disorder Act 1998 (section 115);
- Common Law Powers of Disclosure;
- The Rehabilitation of Offenders Act 1974;
- The Human Rights Act 1998 (article 8);
- The Data Protection Act 1998 (sections 29(3) & 35(2)).

### 5. PROCESS

5.1 This agreement has been formulated to facilitate the exchange of information between partners. It is, however, incumbent on all partners to recognise that any information shared must be justified on the merits of each case.

### 6. TYPES OF INFORMATION TO BE SHARED

6.1 Lincolnshire Police will share:

- Redacted and de-personalised information relating to crime or anti-social behaviour in the areas of housing owned or managed by Catch 22;
- Redacted evidence relating to a conviction of a tenant for an arrestable offence which occurred in the property or in the vicinity of the property, providing that the conviction is not considered spent under the Rehabilitation of Offenders Act 1974, see Appendix 2;
- Redacted evidence relating to a conditional caution accepted by a tenant for an arrestable criminal offence that occurred in the property or in the vicinity of the property owned or managed by Catch 22, where the date of the caution is less than three months from the disclosure date; providing that the conditional caution is relevant to the request and the disclosure of information can be justified on the grounds that it falls within a policing purpose.
- Redacted evidence relating to a conviction or intelligence, which would reasonably indicate that a tenant represents a significant danger to the public, fellow residents or staff, should they remain a tenant, providing that the conviction is not considered

spent under the Rehabilitation of Offenders Act 1974;

- Requests to disclose convictions of proposed tenants will not be considered, except in exceptional circumstances when the proposed tenant in question has given information about themselves that needs due consideration as to the location and type of accommodation. An example of this would be when a proposed tenant states that they are a Sex Offender. In these instances specific requests will need to be made outlining the circumstances surrounding the request, and the legal basis for the disclosure of this information must be stated. Dependant on the "exceptional circumstance" explicit consent may be required from the proposed tenant to comply with the Data Protection Act, 1998.
- An admission of anti-social behaviour by the tenant, member of the resident family or invited visitor, evidenced by a pocket note book signature by the offender;
- Redacted evidence from police records of incidents of anti-social behaviour at or in the immediate vicinity of the tenant's accommodation where there is evidence that these were committed by the tenants, their resident family or invited visitors;
- Copies of statements made to the police by third parties where written permission has been provided by the statement maker for that statement to be disclosed for use in civil proceedings.

### 6.2 Catch 22 will share:

- Evidence, including complaints from neighbours or the public relating to criminal or anti-social behaviour at, or in the immediate vicinity, of the tenant's accommodation where there is evidence that these were committed by the tenants, their resident family or invited visitors.
- Details of residents of Catch 22 properties, including, where appropriate resident lists.

## 7. CONSTRAINTS ON THE USE OF THE INFORMATION

- 7.1 The information shared must not be disclosed to any third party without the written consent of the agency that provided the information. It must be stored securely and deleted when it is no longer required for the purpose for which it is provided.
- 7.2 Any police information shared is only valid at the time of provision, and should only be used for the purpose as requested. It should not be used for any subsequent investigations, which should be subject to a new request for information.
- 7.3 Any information shared will be proportionate and necessary for the purpose for which it is being shared.
- 7.4 Any information shared must be handled and stored in accordance with the Government Protective Marking Scheme, see Appendix 1.

one of the following; gsi; pnn; gse; gsx; cjsm; nhs.net; GCSx. Royal Mail Recorded Delivery is also acceptable.

- 9.4 Requests for information may be made by telephone in cases of emergency, for example, where there is a risk of immediate violence by using the '999' system. If the need for the request falls outside normal office hours, or the identified police SPoC is not available, and the need is still 'urgent' but not an emergency, the request should be made to the Force Command and Control Centre (FCCC) Tel: 01522 532222. In both circumstances, the request will be directed to the duty Inspector (if available) or the duty supervisor, who will make the decision to release information. Form MoPI 1 Request for Information, will be completed on behalf of the requestor by the duty Inspector/Supervisor, and information released will be documented thereon. Upon completion and release of information, Form MoPI 1 will be forwarded to the identified police SPoC, who will, upon receipt of the form, file it in alphabetical order within the file specifically for use with the named partner.
- 9.5 Replies to requests must be made within ten working days.
- 9.6 The Police SPoC will submit any information received from the Catch 22 as a result of a request for information, if relevant, via the 5x5x5 system into the Lincolnshire Police intelligence systems in a timely, accurate and proportionate manner.

### **Information Requested by Catch 22 Prior to Conviction or Caution:**

- 9.7 In some cases, civil proceedings may be a more appropriate route to take than a criminal prosecution. Where this occurs, it will be the responsibility of the police to determine whether or not they will support civil proceedings.
- 9.8 Where Catch 22 requests information about a particular individual when a criminal investigation has already started, any decision on whether or not to proceed with a criminal prosecution must be referred to the designated police officer who will liaise with the Crown Prosecution Service. This is particularly important in cases involving child abuse, domestic violence and incidents where Covert Human Intelligence Sources (CHISs) have been tasked.
- 9.9 Where a criminal prosecution is pending and the local authority wishes to pursue civil proceedings in advance of a prosecution, a police officer can only provide factual information with the prior consent of the Crown Prosecution Service. The police cannot provide opinion evidence.
- 9.10 Where a complaint of anti-social behaviour has been made against a tenant both partners can share information (providing that it meets a policing purpose and satisfies the principles of the Data Protection Act), to help decide what course of action, if any, to take against the tenant. Such disclosures will only deal with the incident or offences that have occurred in the premises or in the immediate vicinity, and will be aimed at deciding on the course of joint action, if required. All decisions must be recorded.
- 9.11 Where more serious allegations are made against the tenant, the nominated officer from Catch 22 must write to Lincolnshire Police informing them that action is being considered. The tenants name and address should be shared with the police to enable officers to carry out a search. This may include details on:
- Events witnessed by a police officer;
  - Evidenced incidents at the address or the immediate locality;
  - Warrants executed;

- Persons arrested;

9.12 Officers attending incidents should make detailed pocket book entries of any complaints or statements obtained during criminal investigations. These complaints or statements can only be shared with the local authority with the individuals written permission and only once the criminal proceedings have been completed.

### **Information Requested by the Catch 22 Post Conviction or Caution:**

9.13 Where the criminal process is complete, copies of relevant police statements may be released to the Catch 22. Statements obtained from witnesses will also be released provided the appropriate written consent has been given.

9.14 Convictions and cautions that are spent within the meaning of the Rehabilitation of Offenders Act will not be disclosed.

## 10. REVIEW, RETENTION AND DELETION

10.1 Partners to this agreement undertake that personal data shared will only be used for the specific purpose for which it is requested. The recipient of the information is required to keep it securely stored and when it is no longer required for the purpose for which it was requested, will safely dispose of it. The force may also want to request a copy of the partner's information security policy (where it exists) when sensitive personal data is to be shared.

10.2 Files containing information from partner sources will be reviewed in line with force policy.

10.3 The recipient will not release the information to any third party without obtaining the express written authority of the partner who provided the information.

10.4 Catch 22 Managers will ensure that access to information received from the police will only be granted to those staff who need to see the information.

## 11. REVIEW OF THE INFORMATION SHARING AGREEMENT

11.1 This Information Sharing Agreement will be reviewed six months after its implementation and annually thereafter. The nominated holder of this agreement is Lincolnshire Police .
