| 7.3 | Any information shared will be proportionate and necessary for the purpose for which it is being shared.  |

### 8. ROLES AND RESPONSIBILITIES UNDER THIS AGREEMENT

- |     |  |   |
|-----|--|---|
| 8.1 | Each partner must appoint a single point of contact (SPoC) who must work together to jointly solve problems relating to tenants. The sharing of information must only take place where it is valid and legally justified.<br>Police SPoC<br>NKDC SPoC  | Title: Sector Inspector<br>Contact details: 01529 302420 ext 3820<br>Title: Community Safety Manager<br>Contact details: 01529 414155 |

| 8.3 | Any request for information must meet one or more of the policing purposes.  |   |

SPoC is not available, and the need is still 'urgent' but not an emergency, the request should be made to the Force Command and Control Centre (FCCC) Tel: 01522 532222. In both circumstances, the request will be directed to the duty Inspector (if available) or the duty supervisor, who will make the decision to release information. Form MoPI 1 Request for Information, will be completed on behalf of the requestor by the Duty Inspector/Supervisor, and information released will be documented thereon. Upon completion and release of information, both Form MoPI 1 will be forwarded to the identified SPoC, who will, upon receipt of the form, file it in alphabetical order within the file set up specifically for use with the named partner.

- 9.5 Replies to requests must be made within ten working days.
- 9.6 The Police SPoC will submit any information received from North Kesteven District Council, as a result of a request for information, if relevant, via the 5x5x5 system into the Lincolnshire Police intelligence systems in a timely, accurate and proportionate manner.

### **Information Requested by North Kesteven District Council, Prior to Conviction or Caution:**

- 9.7 In some cases, civil proceedings may be a more appropriate route to take than a criminal prosecution. Where this occurs, it will be the responsibility of the police to determine whether or not they will support civil proceedings.
- 9.8 Where North Kesteven District Council requests information about a particular individual when a criminal investigation has already started, any decision on whether or not to proceed with a criminal prosecution must be referred to the designated police officer who will liaise with the Crown Prosecution Service. This is particularly important in cases involving child abuse, domestic violence and incidents where Covert Human Intelligence Sources (CHISs) have been tasked.
- 9.9 Where a criminal prosecution is pending and the local authority wishes to pursue civil proceedings in advance of a prosecution, a police officer can only provide factual information with the prior consent of the Crown Prosecution Service. The police cannot provide opinion evidence.
- 9.10 Where a complaint of anti-social behaviour has been made against a resident both partners can share information (providing that it meets a policing purpose and satisfies the principles of the Data Protection Act), to help decide what course of action, if any, to take against the resident. Such disclosures will only deal with the incident or offences that have occurred in the premises or in the immediate vicinity, and will be aimed at deciding on the course of joint action, if required. All decisions must be recorded.
- 9.11 Where more serious allegations are made against the resident, the nominated officer from North Kesteven District Council must write to Lincolnshire Police informing them that action is being considered. The resident's name and address should be shared with the police to enable officers to carry out a search. This may include details on:
- Events witnessed by a police officer;
  - Evidenced incidents at the address or the immediate locality;
  - Warrants executed;
  - Persons arrested;
- 9.12 Officers attending incidents should make detailed pocket book entries of any complaints or statements obtained during criminal investigations. These complaints or statements can only be shared with the local authority with the individuals written permission and only once the criminal proceedings have been completed.

- 9.14 Convictions that are spent within the meaning of the Rehabilitation of Offenders Act will not be disclosed.

## 10. REVIEW, RETENTION AND DELETION

- 10.1 Partners to this agreement undertake that personal data shared will only be used for the specific purpose for which it is requested. The recipient of the information is required to keep it securely stored and when it is no longer required for the purpose for which it was requested, will safely dispose of it. The force may also want to request a copy of the partner's information security policy (where it exists) when sensitive personal data is to be shared.

- 10.3 The recipient will not release the information to any third party without obtaining the express written authority of the partner who provided the information.

- 13.1 By signing this agreement, all signatories accept responsibility for its execution and agree to ensure that staff are trained so that requests for information and the process of sharing itself is sufficient to meet the purposes of this agreement.
